by the IRS. Your membership is tax deductible.

## Join our Team!

There are many ways to get involved:

1. You could become a "donor" by providing hunting, fishing, or another adventure for one or more of these special children.
2. Sponsorship and membership opportunities are also great ways to become an important part of this unique community service! 100% of your contribution goes directly to the cause, and they are fully tax-deductible.
3. To become a "partner," financial contribution is optional. All that is needed is a commitment to supporting the USSA mission and goals through any means or methods you, your company, or organization have at your disposal.
4. Last but not least, there is always a need for volunteer help, and we can probably find a rewarding position for you if you so desire.

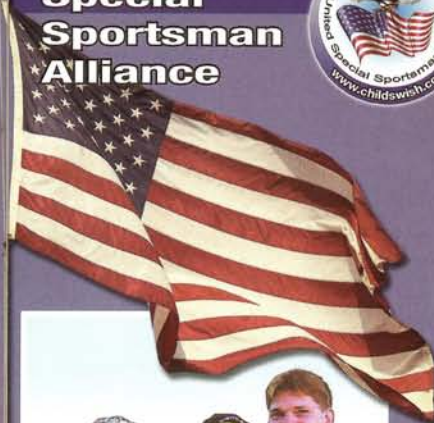

If you know of a deserving youth who would like to go on a FREE dream-wish-outdoor-adventure, please contact us and we'll do everything humanly possible to make that dream come true.

## About USSA

The United Special Sportsman Alliance, Inc. (USSA) is a 501 (c) 3 non-profit dream-wish-granting charity that specializes in sending critically ill and disabled youth on the outdoor adventure of their dreams!

USSA adventures give patients something to look forward to, and help sustain them in their time of need! Families are whisked away from the mundane, man-made world of hospitals, and high medical bills by giving them a place of peace to focus on the quality of life, family ties, and the wonders of our natural world!

USSA is composed of a 100% volunteer staff from all walks of life; bonded together by a common love for our fellow mankind and a deep respect and appreciation of our world's natural resources. By working cooperatively with caring "adventure" donors, as well as generous individual and corporate sponsors, USSA has made a significant impact on the lives of thousands of children and their families. The public's image of all sportsmen is enhanced through this valuable community service and new, lifelong friendships are made!

## Donations

Donors are the "Field Generals" of USSA. They are on the front lines, donating a hunting, fishing, camping, horseback riding, and water sports adventure to our nation's less fortunate. Our donors are a diverse group; they are our land owner's outfitters, preserve owners, fishing lodge owners, boat owners and campground owners.

Without their generosity and compassion, USSA would be just another charity. If you have any "outdoor type" service you would like to offer please let us know.

*"Whoever accepts a child in my name accepts me."*

Matthew 18:5

While Sponsorships and Donors are the core ingredient of the success of USSA, memberships are another vital component in running the charity on a daily basis. Every one on our Board of Directors, Junior Board, Advisory Counsel, and staff performs their respective duties on a 100% voluntary basis, without any compensation of any kind. We depend upon membership dollars to help meet our many operational expenses. NOTE: There is no cost to the "wish recipient"! We offer 5 membership and 4 sponsorship options to fit your particular level of resources and commitment.
